In addition, each day, attendees will enjoy scheduled breaks with refreshments set up in the exhibiting area. This will give exhibitors the opportunity to meet attendees who are interested in learning about your products and services. In doing so, this raises awareness of your brand and draws your target marketing to you in one place at one time. Exhibiting at TASS can build your customer base and provide face-to-face time to answer questions. In addition to exhibiting, we offer some advertising and sponsorship opportunities, so keep reading to learn more.
